MARYVILLE COLLEGE BULLETIN

Published by Maryville College, Maryville, Tennessee

Ralph Waldo Lloyd, President

VOL. LII April, 1954 No. 8

Published quarterly by Maryville College. Entered May 24, 1904, at Maryville, Tennessee, as second-class mail matter. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1947, authorized February 10, 1919.

JAMES NICHOLAS PROFFITT, PRESIDENT OF THE ALUMNI ASSOCIATION

GREETINGS TO MARYVILLE COLLEGE ALUMNI:

Plans are under way for the Annual Alumni Banquet May 15, 7:00 P.M. at Pearsons Hall. The 25 year class is planning a reunion. All those members of the Class of '29 have probably been contacted before now. Election of officers for the coming year will be held.

Homecoming was a success last fall. Approximately six hundred attended the Barbeque prior to the football game. The new Kilts for the Band looked very good. The Maryville Boosters should be commended on their contribution to this cause.

Although the general interest in the Alumni Association seems to be increasing, the collection of dues has not increased. If you are one of those of us who put off paying dues as long as possible please send in your dues now! A new envelope has been prepared to facilitate paying dues.

You have probably received under separate cover letters telling you of the New Samuel Tyndale Wilson Chapel now nearing completion. It is in use and will be dedicated at Commencement. Its cost exceeded $600,000. If you haven't pledged or contributed to this building please do so now.

The Alumni Association would appreciate the suggestions of groups or individuals as to methods of improvement. In particular, we are interested in a stronger Alumni Association. Not just to get more people to pay dues but to get more of the Alumni active. It seems to me that a full time secretary should be employed by the Association. Your opinions will be used in the future to carry out your wishes.

With best wishes,

James N. Proffitt

TO ALL MARYVILLE COLLEGE MEN AND WOMEN:

There are many things of which I as President of your college would like to talk to you. Some are old, some are new, most are just new stages in long range work and growth, like the elements in life itself. Only a few can actually be discussed in this message and these only briefly.

(1) **The letter of James N. Proffitt, '38,** President of the Alumni Association, on the preceding page, should have careful reading by all alumni, as I am sure it will. President Proffitt is deeply interested in having every person who has attended Maryville College, which includes everyone who reads this Bulletin, give active support to the work and developing plans of the College. Especially urgent just now is the need for funds to complete payment for the wonderful new Chapel. He and the entire Executive Committee of the Alumni Association are setting out to be sure that everyone has an opportunity to participate. You will wish to consider carefully all they say.

(2) **The Samuel Tyndale Wilson Chapel** will be formally dedicated on Baccalaureate Sunday (May 16) at four o'clock in the afternoon. We expect it to be substantially ready by that time, but it is now clear that in some details it will not be entirely complete, and it is certain that a considerable number of equipment items cannot be ready. However, we have been using the chapel auditorium in its incomplete state since early February and plan to stage the Commencement Play in the theater even if a curtain and a light or two are still missing. When it is done it will be as complete a college theater as there is in the nation. The entire building will be dedicated as a unit. Several of Dr. Wilson's four daughters and two sons expect to be present for the dedication services on May 16, and at least one will take part in the service.

(3) **The cost of the Chapel**, as has been variously announced, will reach a little above $600,000 when all the equipment is in. That is a very large sum, even in these days of large sums, being about $150,000 above the cost of the Fine Arts Center, which until now represented three times as large an investment as any other building on the campus. But under present day prices, both the Fine Arts Center and the Chapel are counted by authorities as remarkable values. We are getting far more for the money expended than we would get in the traditional type of building. These are big, fireproof, artistic, functional buildings of original design which should serve for at least a century to come. The Fine Arts Center is paid for. The Chapel is two thirds paid for. But we have now paid out all our chapel fund and the College is borrowing to continue the work. We must find gifts to cover that other one third. Alumni are the people most closely related to the College, and I hope those who have not yet given will do so and many who have given will be able to add to their gifts.

(4) **A new women's dormitory** is becoming more and more a reality. The exceedingly generous, gracious, and active work for it by Presbyterian women through their Opportunity Giving in 1954 is the basic reason for that reality. Their sponsorship of it led to a generous action on the part of the Synod of Mid-South in opening churches to an appeal to secure enough funds to complete the project. We hope we will have money enough to build in 1955. The firms of Schweikher and Elting and Barber and McMurry have been engaged as Associated Architects for this building as they are for the Chapel. This means it will be a structure of contemporary design.

(5) **National Christian College Day** will be observed cooperatively by the Synod of Mid-South and Maryville College on April 25, 1954. This is the first year for a wide observance in our Synod. The College will tell its story in every church that is open to us. We hope alumni will encourage and participate in this movement.

(6) **The United States Supreme Court** has not yet given its decision on the constitutionality of the segregation laws which limit the freedom of Southern educational institutions. We receive inquiries from time to time as to the plans of Maryville College in this matter. Of course, it is impossible to answer that until we know what may be done with the law. Maryville College enrolled Negro students until the present rigid law in Tennessee was passed in 1901. If that law is declared unconstitutional, the whole matter will have to be restudied, and I have been gathering information and consulting with the Board of Directors for the past year or so. As many Maryville College alumni know, we now open our campus to interracial conferences in the summer and welcome people of all races to the campus at any time during the college year. We cannot lawfully do more.

(7) **Interchurch affairs** are to the fore in the United States this summer, and some of us at Maryville are involved in them. I have been elected a delegate to both the World Presbyterian Alliance meeting at Princeton (July 27-August 5) and the World Council of Churches meeting at Evanston (August 15-31). As American Secretary of the Alliance and chairman of the program committee, I am, needless to say, very busy in preparations for that world meeting. Miss Hunter and Miss Lightfoot of our staff are going to be there as part of the Alliance staff during that time, and I shall hope to see numerous Maryville College alumni at one or the other of the meetings. Perhaps the most imminent event in this field is the approaching vote on the Plan of Union drawn up by committee of the Presbyterian Churches in the USA and US and United Presbyterian Churches. As chairman of the joint committee preparing the Plan, I have been deeply involved and shall have the responsibility of presenting it to the Presbyterian USA General Assembly immediately after Commencement and of representing the USA General Assembly at the US General Assembly a week later.

(8) **Commencement** on May 19 will see the College close its 135th year. There are accounts in this Bulletin of the events of that week, to which I hope many alumni can come.

Sincerely yours,

Ralph Waldo Lloyd

CHAIRMAN OF THE BOARD

At their Fall Meeting, October 24, 1953, the Directors of Maryville College elected Joe Caldwell Gamble, '26, as Chairman of the Board, to succeed Judge Samuel O'Grady Houston, '98, who had served as Chairman since 1932.

Judge Houston insisted that he not be reelected, pleading long service, his eighty-third birthday, and the need for a conservation of strength. He had made similar requests in several former years but the Directors each time overruled him. The universal respect in which he is held, the wise and devoted leadership which he has given to his Alma Mater, and the irenic and cooperative spirit and skill with which he presides at meetings, all have made him a Chairman of such quality that his colleagues on the Board were reluctant to accede to his retirement. But this time he insisted and they could but concur. However, he remains a member of the Board.

In his place, another graduate of the College was elected, Joe C. Gamble, '26, the son of the late Judge Moses Houston Gamble, a Maryville College graduate and long time Director. As a student Mr. Gamble was a leader in various college activities being both president of the Student Council and captain of the football team in his senior year. He received the degree of LL.B. from the Law School of the University of Michigan in 1929, and returned to Maryville to join the law firm of his father and Homer A. Goddard, another Maryville College graduate. He is today one of the leading attorneys in the state.

For many years he has taken a prominent place in the civic life of the community, in political activities of the Republican party, in the work of the church, and in the program of Maryville College. He is a Director of the Bank of Maryville, a Director of the Blount Memorial Hospital, and an Elder in New Providence Presbyterian Church. He has been a Director of Maryville College since 1939, Recorder of the Board since 1949, and also Chairman of its Committee on Finance since 1949.

Mr. and Mrs. Gamble (Frances Leisenring) and their son, Douglas, live near the college campus.

1954 COMMENCEMENT

The Commencement Week program is printed on the inside front cover of this Bulletin. It is hoped that many alumni will be able to come for the weekend—Alumni Day and Baccalaureate Sunday, May 15 and 16. The Annual Dinner and Business Meeting will be held in Pearsons Hall at seven o'clock Saturday evening, followed by the band concert at nine-thirty. The reunion classes are planning other events during the day.

The Baccalaureate Service Sunday morning will, of course, be held in the Samuel Tyndale Wilson Chapel. The auditorium was planned especially for such services; the platform is large enough to accommodate the choir and faculty comfortably, and there are 1151 seats for the congregation.

The Graduation Exercises will be held in the new Chapel on Wednesday morning, May 19. The graduates of 1954 will number about one hundred and twenty.

REUNION CLASSES

The Fifty-Year Class is small but in terms of percentage present it expects to be at the top of the list. Mrs. A. E. McCulloch (Freddie Goddard), 316 College Street, Maryville, is acting as reunion chairman.

The Twenty-Five-Year Class has been working on their plans all winter and expects to have a large number here. Mrs. Edward Lyle (Edna McCamy), 310 Indiana Avenue, and Harold Bird, P. O. Box 406, Maryville, are the co-chairmen.

Other classes and their local chairmen working on reunions include the Class of 1924, Dr. Verton M. Queener, 909 Court Street, Maryville; and 1934, Mrs. Herbert R. Dodd (Thelma Iles), 307 West Outer Drive, Oak Ridge.

The classes of other reunion years are not actively promoting reunions but chairmen have been appointed who will be very glad to hear from any class members who expect to be present, and to make arrangements for "get-togethers." They are: Class of 1914—Mrs. S. E. Crawford (Irma Hall), P. O. Box 284, Maryville; 1939—Mrs. J. Howard Schwam (Sara Fay Kittrell), 20 Crest Road, Maryville; 1944—Mrs. Albert Dockter, Jr. (Dorothy Gredig), 871 Poplar Street, Alcoa; 1949—Mrs. William F. Proffitt (Vera Lusk), Louisville Pike, Maryville.

FACULTY NEWS

Dr. Verton M. Queener suffered a heart attack and went to the hospital on March 30. While improving, he is not expected to teach again this college year.

In the course of the year faculty members attend many meetings of associations in their respective fields. President Lloyd and Dean McClelland attended the annual meetings of the Presbyterian College Union and Association of American Colleges, held in Cincinnati this year. President Lloyd also attended the Southern Association of Colleges and Secondary Schools meeting in Memphis, and the Tennessee College Association meeting in Nashville. Professor Walker, Dr. Williams, and Miss Blackburn attended the meeting of the Tennessee Academy of Science at Oak Ridge; Miss Davies that of the National Association of Schools of Music in Chicago; Dr. Case, Mrs. Pieper, and Mr. Fisher attended a meeting in Atlanta of the Southern Sociological Society; Miss Martin, Miss Wilkinson, Dr. Cooper, and Mr. Schwam attended the South Atlantic Modern Language Association at Chattanooga; and Miss Martin attended the national meeting of the Modern Language Association and the American Association of Teachers of Spanish.

At the annual meeting of the Tennessee Philological Association, at Union University, Jackson, Dean Hunter read a paper on "Shakspere's Actors: Impromptu Dramatics," Dr. Cooper read on "The Relations of Science and Philosophy as Reflected in French Literature," and Mr. Schwam on "Don Alvara, Romantic Drama 'Par Excellence.'"

A solo and ensemble festival, sponsored by the East Tennessee Band and Orchestra Association, was held on the campus on March 13. About three hundred elementary and high school students participated. Miss Crews was manager of the festival.

Miss Davies is Tennessee State Arts Chairman of A.A.U.W. and in April will attend the Southeastern Regional meeting in Biloxi. She will also serve as the delegate of the Maryville Branch and of Maryville College at this meeting.

Mrs. Walter Morton was chosen as the winner of the 1953 Community Service Award, sponsored by "The Alcoan" to symbolize community leadership. She will receive an aluminum plaque, etched with special drawings to depict her activities, and one hundred dollars in cash. Mrs. Morton's service includes "tireless year-after-year work at Sunnybrook and Home Avenue Chapels; interest and help to young people which have reached unbelievable proportions, and friendliness and help to her neighbors day and night." Mr. and Mrs. Morton have no children of their own but are known as "Mom" and "Pop" to many, many young people. Mr. Morton retired last summer after twenty-one years of service on the maintenance staff of the College.

Mrs. L. A. Black (Susan Green), who has been ill since her retirement in 1950, had an appendectomy about the first of March. She has recovered satisfactorily from the operation and is again at Joyce's Rest Home, 251 North Harrison Street, Alcoa.

On January 29 Mrs. W. Halcot Ford died unexpectedly after a brief illness. Mr. Ford taught in the Social Sciences Division of the College from 1950 to 1953, and they still resided in Maryville. They have three children.

Francis Mitchell McClenahan, who taught chemistry at the College from 1906 to 1916, has retired and is living in Tucson, Arizona.

MRS. WRINKLE RETIRES

Mrs. Walter A. Wrinkle (Celia Rough, ex '17), Assistant to the Treasurer, retired November 30, 1953, after thirty-nine years of service in the Treasurer's Office.

She was forced by increasing health limitations to retire earlier than had been anticipated, and is being missed greatly in the important work she performed for so long.

Mrs. Wrinkle

In earlier years Mrs. Wrinkle personally did much of the bookkeeping and general secretarial work in the office, but as the work of the office grew others were added to the staff and she supervised the accounting, personally handled confidential matters, managed details of the office, and kept the records of the Board of Directors. During the interim between the death of Treasurer Proffitt in 1943 and the appointment of Paul W. Henry as Treasurer in 1948, she carried special responsibilities.

In the history of the College only six persons have served on the faculty and staff as long as did she; Dr. Wilson 46 years, Professor Walker 45 years and still serving, Mrs. Black (Miss Green) 44 years, Mr. "Brownie" Brown 44 years and still serving, Mrs. West 43 years, and Dean Barnes 39 years.

Mr. and Mrs. Wrinkle live at 806 Jones Street, Maryville. Mr. Wrinkle is with the Knoxville Power Company, Alcoa.

BEQUESTS TO LIBRARY

The College library has recently received two notable bequests. Dr. Edwin Sheddan Cunningham, '89, bequeathed his library of 786 volumes to the College, and before his death he had presented a considerable number of books, in addition to these, to the College. Dr. Cunningham was Consul-General in Shanghai from 1919 until his retirement in 1935, and the major portion of his collection is on the Far East. Many of the books were published abroad and are not available for purchase in the United States. This collection on the Far East has greatly expanded the College library's holdings in that field and will be of great and permanent value.

In accord with the wishes of Dr. Graham, Mrs. Thomas A. Graham presented 533 volumes from his library to the College. Dr. Graham was pastor of New Providence Church from 1945 until his death in November, 1952. Many of his books are in the field of religion but the collection covers a wide range.

GENERAL ASSEMBLY BREAKFAST

The annual Maryville College Breakfast at the Presbyterian USA General Assembly, which meets in Detroit this year, will be held on Saturday morning, May 22. There will be posters at the General Assembly announcing the place and price of the breakfast, and reservations may be made there. Those living in the Detroit area may make their reservations through Mr. Paul O. Armstrong, 17 Hanover Road, Pleasant Ridge, Michigan, who is president of the Detroit Maryville College Alumni Club. All alumni, Directors, parents of students, and friends of the College are cordially invited to attend. President Lloyd will be there to tell of the latest developments at the College.

NEW DORMITORY PLANS

On his page in the October issue of this Bulletin, President Lloyd reported that a new women's dormitory at Maryville College is the Christian Education object of Opportunity Giving by Presbyterian (USA) women in 1954.

The emphasis on Opportunity Giving is now widespread. Programs about Maryville College are being conducted by many groups of Presbyterian women. A short pageant concerning Maryville College is to be distributed throughout the women's organizations for their use, and sets of slides of the campus and student activities are being prepared.

The women have invited the Maryville choir to sing at the services on Women's Day at General Assembly in Detroit, May 21, and daily at the Quadrennial Meeting of the National Council of Women's Organizations of the Presbyterian Church in the U.S.A. June 1-6. Five or six alumni, representative of the church, the mission field, the home, education, and industry, are being invited to participate in a panel discussion at one of the sessions on Women's Day. There will be several thousand women at each of these meetings.

It is hoped that these and other activities will bring enough gifts to make it possible to build the dormitory in 1955. Architects are beginning work on plans now.

SUMMER EVENTS ON THE CAMPUS

During the summer of 1954 the following church conferences will be held on the campus:

June 7-12: Junior High Camp, Union and Chattanooga Presbyteries

June 13-19: Summer Leadership Training School of the South (Interracial)

June 20-22: Mid-South Council of Presbyterian Men

June 22-25: Synod of Mid-South
Women's Synodical Society of Mid-South
Westminster Fellowship, Synod of Mid-South (Interracial)

The Samuel Tyndale Wilson Chapel will be fully ready for use by that time. This building, added to the Fine Arts Center completed three years ago, will provide near ideal facilities for conferences and meetings. These two buildings alone contain four assembly halls of four different sizes: (1) the Chapel auditorium, seating 1,200; (2) the Theater auditorium, seating 450; (3) the Music Hall, seating 250; and (4) the Little Chapel, seating 75.

Also there are in the Chapel building spacious lobbies, a choir rehearsal room, three classrooms, offices, theater workrooms, small speech rooms, and other areas. In the Fine Arts Center are five classrooms, library, offices, art gallery, lounge, and numerous studios and practice rooms. The Fine Arts outdoor auditorium and the outdoor Chapel court provide unusual opportunity for outdoor services and fellowship.

Thus Maryville College is prepared beyond even the dreams of anyone a few years ago to handle summer gatherings. All that is needed is some way to insure cool weather. The auditoriums in both buildings have ventilating but not refrigerating systems.

If you haven't paid your dues for 1953-1954, look up that envelope you recently received and send yours in. Just two dollars from EVERY alumnus would make it possible for the Alumni Office to support itself, as well as pay for the Fall and Spring Bulletins which every alumnus receives. If you can't find the envelope sent you, mail two dollars in any old envelope addressed to the Alumni Office, Maryville College, Maryville, Tennessee.

CHAPEL CAMPAIGN

Daily chapel services have been held in the new Samuel Tyndale Wilson Chapel since February 6, 1954, although the sounds of hammer and saw are still constant and sometimes loud.

Only the large auditorium itself is in use. At the College's request it was rushed through for the February Meetings, which opened on February 10.

The next objective is to have the theater ready for the Commencement play on May 14, and the whole building in a reasonable state of completion for the dedication on May 16. It is a large building with many parts and many special features which have taken longer for construction than was anticipated.

The cost of the building equipped will be a little over $600,000, of which a little over $400,000 has been given. But the amount actually paid out has now been exhausted. The other $200,000 must be secured from gifts as soon as possible.

The Alumni Association Executive Committee has voted to present an urgent appeal to all alumni to give to this fund now. Under the leadership of the President of the Association, Dr. James N. Proffitt, '38, the Committee is having communications sent to all, and giving all an opportunity to make completion of the Chapel a reality. Gifts may be made in cash, or pledges payable over a period of time.

The Executive Committee appeals to every Maryville College man and woman to rally to meet this critical need.

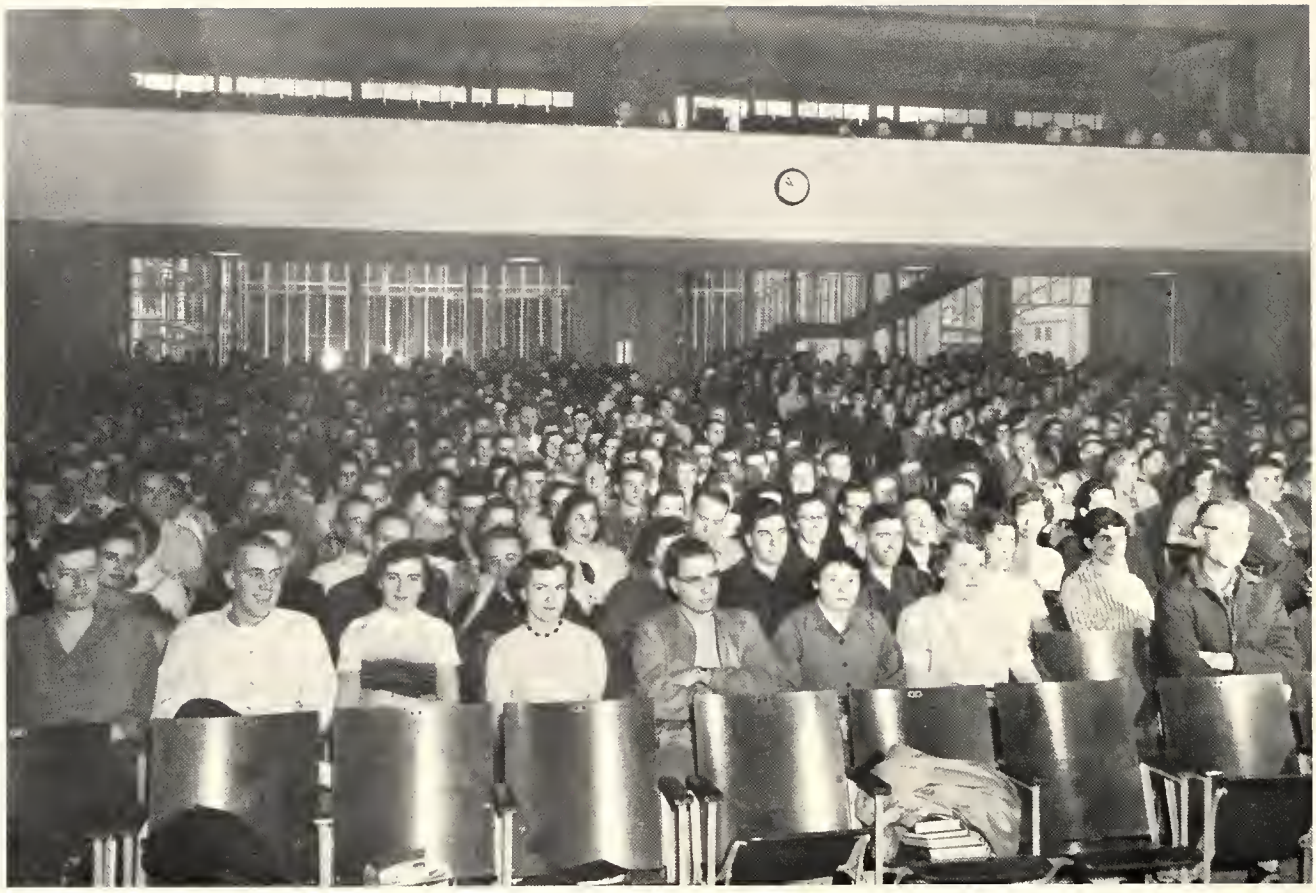
1954 CHOIR TRIP

Because of the interest of Presbyterian women in Maryville College this year, the Choir has been invited to sing daily at the quadrennial meeting of the National Council of Presbyterian Women's Organizations at Purdue University, Lafayette, Indiana, June 1-6. It has been invited also to sing at the Presbyterian General Assembly in Detroit – at the Women's Day meetings on May 21 and at the popular meeting of the Board of Foreign Missions on Thursday evening, May 20.

Between May 21 and the National Meeting, the Choir will be on tour singing in the following Presbyterian churches:

Saturday, May 22—First Church, Birmingham, Michigan
Sunday, May 23, 10:30 a.m.—Bethany Church, Detroit
3:30 p.m.—Drayton Avenue Church, Detroit
8:00 p.m.—St. Andrew's Church, Windsor, Ontario
Monday, May 24—Rosewood Avenue Church, Toledo, Ohio
Tuesday, May 25—First Church, Mt. Vernon, Ohio
Wednesday, May 26—Hoge Memorial Church, Columbus, Ohio
Thursday, May 27—Kennedy Heights Church, Cincinnati, Ohio
Friday, May 28—Warren Memorial Church, Louisville, Ky.
Saturday, May 29—Hutchinson Memorial Church, New Albany, Indiana
Sunday, May 30, 10:30 a.m.—First Church, Seymour, Indiana
3:30 p.m.—First Church, Columbus, Ind.
8:00 p.m.—First Church, Connersville, Ind.
Monday, May 31—First Church, Kokomo, Ind.

For several years the Choir has had a spring tour, to the South, to the East, to the North, but this is the first year it has made a tour after Commencement. To meet the first engagement in Detroit it will be necessary to leave the campus as soon as possible after the Graduation Exercises. It is hoped that all alumni who are near any one of these churches will take advantage of the opportunity to hear the choir, and perhaps to have an alumni meeting in connection with the concerts. Mr. Harter, Director, Dr. Griffitts as Business Manager, and probably some other faculty member will be with the group.



The first service in the incompleted chapel.

NEW YORK CLUB MEETING

The Metropolitan Maryville College Club of New York will hold a dinner meeting at the West Side YMCA at 6:30 p.m. Tuesday, April 27. Notices were sent out to all of whom he knew in the New York area by Misti Smith, '19, secretary of the club. If you did not receive a notice, please let Mr. Smith know so that you will receive future notices. His address is 21 Audubon, Room 311, New York 32, New York. One item of business will be to elect a new chairman to succeed James M. Barr, '43, who has moved from Long Island to Oneida, New York.

HUNT FOUNDATION SCHOLARSHIP

A year ago, Mr. R. M. Ferry, Manager of Tennessee Operations for the Aluminum Company of America, announced that the Hunt Foundation of Pittsburgh was awarding a $500 scholarship to a graduate of Alcoa High School to attend Maryville College. Kent Toomey, of Alcoa, is now a freshman in the College on this scholarship.

This spring announcement has been made of a similar award to a Maryville High School graduate to enter Maryville College.

The College, the two high schools, and the community appreciate this interest and contribution.

DR. LLOYD TO BE NOMINATED AS MODERATOR OF GENERAL ASSEMBLY

As this issue goes to press, there comes word of a spontaneous movement springing from several widely scattered points in the country, to place Dr. Lloyd's name in nomination at Moderator of the General Assembly of the Presbyterian Church USA. The following is a reprint from the April 12 issue of *Monday Morning*, a magazine for Presbyterian pastors.

"In preparation for the year of decision with regard to the reunion of three great Presbyterian denominations in the United States, the General Council of the Presbytery of Union, Synod of Mid-South, has taken action to present the name of the Reverend Ralph Waldo Lloyd, D.D., LL.D., of Maryville, Tennessee, in nomination for Moderator of the 166th General Assembly. Dr. Lloyd is chairman of the Joint Negotiating Committee of the three Churches which has prepared the present Plan of Union. He has been a member of the Permanent Commission on Interchurch Relations throughout the period of negotiations with the Presbyterian Church in the US and has been chairman of the Commission since 1941.

"Dr. Lloyd is a native of Tennessee and is a graduate of Maryville College in that state. He served as pastor of churches in Indiana, Illinois, and Pennsylvania. He has been President of Maryville College since 1930. He is a member of the Central Committee of the World Council of Churches and American Secretary of the World Presbyterian Alliance."

Feeling that this movement and the honor to Maryville College which it connotes, are of general interest to Maryville College people, and especially the ministers among our graduates, I have asked that this note be inserted in this issue of the Alumni Bulletin.

HOMECOMING

The Homecoming weekend last fall was a beautiful October weekend, and many alumni were here. The barbecue was attended by at least five hundred persons, almost fifty more than the previous year and the record so far. President Jim Proffitt presided and just before the game crowned Miss Mary Virginia Ferguson, a senior from Kingston, Tennessee, as Homecoming Queen. The football game with Newberry College was a good one, although Maryville lost by one touchdown. Earlier that day the cross country team defeated William Jennings Bryan University. The annual Homecoming parade, complete with floats, was held and the dormitories were decorated to welcome the alumni.

On Saturday morning at the annual Founders Day Service, Rev. Dr. Edward L. R. Elson, pastor of the National Presbyterian Church, Washington, spoke on "The Recovery of our Spiritual Foundations." Various other Directors and the Alumni Association President took part in the service.

The 1954 Homecoming will be on *October 16*. Make your plans now.

FEBRUARY MEETINGS

The February Meetings of 1954 were outstandingly successful. Dr. Joseph J. Copeland, pastor of the Second Presbyterian Church, Knoxville, was an inspiring and stimulating preacher, and attendance at both the morning and evening services was large. Dr. John Magill, '39, pastor of the Abington Presbyterian Church, Philadelphia, Pennsylvania, led the singing, as he did in 1952, and Dr. Henry Barraclough, of Philadelphia, Assistant Stated Clerk of the General Assembly, was the accompanist. Their presence and leadership greatly strengthened the Meetings. This was the third year in which Dr. Barraclough had been here for the Meetings but the first time he had been able to stay through the whole series.

MAY DAY

The annual May Day Festival will be on Saturday afternoon, May 1. Mrs. Queener, Assistant Professor of Physical Education, is in charge, assisted by other members of the faculty and staff. The theme will be Cinderella. A wandering minstrel will tell the story to entertain the Queen of the May, and as he talks the story will be pantomimed.

Each year this draws one of the largest crowds that come to the campus, especially children. It is estimated that there are usually more than a thousand people present.

BAND UNIFORMS

In the fall of 1952 a group of former Maryville College athletes now living in the Maryville area and a number of other alumni and friends in the community, expressed an interest in securing an electric scoreboard and clock for the football field and new uniforms for the band. As a result of this interest, a benefit game was played against Tennessee Wesleyan College. An electric scoreboard was secured and some money was raised toward the band uniforms. This fall a benefit game was arranged with the B team of the University of Tennessee, which very generously accepted only a small sum for actual expenses. The receipts from these two games plus some gifts, and a thousand dollars contributed by the College, made possible the purchase of the uniforms and two bagpipes.

The predominant color of the plaid in the kilts and scarves is red; the jackets and the caps are dark green. It is a very striking uniform, and the band looks very impressive. It is hoped that by next fall two students will have learned to play the bagpipes, so that Maryville may have a true "Highland" band.

CAMPUS ACTIVITIES

One of the big events of the Fall Semester, after Homecoming and the football season are over, is Barnwarming on Thanksgiving evening. The theme this year was "Storybook Land," and seniors David Gates and Virginia Smith were elected king and queen.

Many other events have crowded the college calendar: "The Messiah" and Christmas Vespers; orchestra and band concerts; "An Evening with Charles Laughton"; the fall and spring dances; Victor Herbert's "The Fortune Teller" given by the Men's and Women's Glee Clubs; "The Lowland Sea" by the Opera Workshop; skit night; "Apple Blossom Time," the frosh talent show; "Bell, Book, and Candle," "The Lady's Not For Burning," selections from three Shakespeare plays; "The Sleep of Prisoners," and other one-act plays; debate trips; and of course wrestling and basketball. Yet to come are all the Easter services, May Day and the election of the May Day Queen, baseball, tennis, and senior recitals, comprehensives, Senior Breakfast, and so on and on.

Speakers and visitors from a distance have included Rev. Dr. George H. Vick, '33, of Charleston, West Virginia; Miss Margaret Flory, of the Presbyterian Board of Foreign Missions, who spoke in behalf of the Fred Hope Fund; President Walter A. Groves of Centre College of Kentucky; Dean Paul L. Palmer of the University of Chattanooga; Rev. Dr. John T. Peters of the Presbyterian General Council; Rev. Peter McCall and Rev. H.
